

Let's Stop HIV Together

33752 **Author:** Centers for Disease Control and Prevention (CDC)

Publication Date: 2012

Country of Origin: United States

Format: Online Resource

Physical Description: Campaign: banners, palm cards, posters, videos.

Language: English

Abstract:

Let's Stop HIV Together gives voice to people living with HIV from all walks of life, alongside their friends and family members. As part of the campaign, these individuals share their personal stories and call on everyone to join the fight against the disease. The campaign highlights the fact that HIV touches every corner of American society and that people with the infection are part of the fabric of our families and valued members of our communities.
